ORIGINAL CAPITAL DESCRIPTION TO YOUR INCOME. 1. Although SKORZENY undoubtedly has a certain number of friends within Upfill through whom Upfill is able to keep track of his activities, we strongly doubt that Upfill has any kind of regular contact with SKORZENY. The Chief of Upfill has always professed to have a very low opinion of his, and several years ago warned that support of SKORZENY by a U.S. Agency in Spain would eventually be the source of embarrassment to the U.S. Government. At an appropriate opportunity, we shall attempt to determine whether there is any new information concerning Upfills attitude towards SKORZENY. 2. It seems unlikely that Upfills attitude towards SKORZENY. 2. It seems unlikely that Upfills a Telations play a role in reference affair. As far as we can daternine from recent comments by members of Upfills, current liaison between these two services is not very close. Approved by: Distribution: 2. C. J. 2. C.
